Forecast for Sunday 01 Nov 2020

Weather: Early rain and summit snow will clear northeastwards to a mix of scattered blustery showers and sunny spells throughout the day. These showers will be heavy at times.

Chance of cloud free mountain/hill tops above 800m: Low through the early part of the morning in association with rain but moderate throughout the rest of the day outside of any heavy showers.

Visibility: Moderate or poor at first but generally good outside of showers, falling moderate or poor in heavier showers.
